Fenkell Automotive FLEET SERVICES

Do you want your fleet vehicles safe and trouble-free?

For more than 80 years, our auto repair company has developed a comprehensive fleet program with the capacity to repair and maintain fleets from five to thousands of vehicles.

Whether you have a fleet of cars, trucks, vans, limousines, or cabs, choose Fenkell for your fleet repair and maintenance needs! Fenkell's highly experienced and dedicated ASE-certified technicians are quality-driven with high standards and an eye for detail. We quickly respond to your immediate needs and pro-actively schedule your vehicles for maintenance.

BREATHE A SIGH OF RELIEF

Relieve your fleet pressures:

- Maintain your fleet vehicles in tip-top shape!
- Diagnose small problems before they become major issues
- Prevent vehicle breakdowns and unscheduled repairs, consequently lowering operating costs!
- Increase vehicle lifespans
- Improve fuel economy and efficiency
- Routinely schedule vehicle maintenance!

YOUR FLEET IS OUR FLEET

With CDLA and ex owner/operators on staff, trust your fleet to Fenkell's technicians.
